## Charity auction preview

Watch lovers, collectors and generous donors will have the privilege of being the first group to view the most exquisite timepieces from 40 prestigious watch makers during the "Only Watch 2011 World Tour in Bangkok".

The exclusive preview of "Only Watch 2011 Collection" — the fourth edition of the world's first luxury watch charity auction — will take place at PMT The Hour Glass Boutique, M floor of Siam Paragon, on Aug 26-27.

Organised by PMT The Hour Glass Ltd, Thailand's leading distributor and retailer of luxury timepieces, in collaboration with Monaco Yacht Show, Antiquorum Auctioneer and Monaco Association Against Muscular Dystrophy (AMM), the event features an exceptional array of unique and special timepieces by 40 leading watch brands, worth nearly 200 million baht.

All 40 unique timepieces will be subsequently auctioned in Monaco

on Sept 23. The entire proceeds from the auction will be donated to support research and clinical trials by the AMM under the High Patronage of HSH Prince Albert II.

This year, the auction is being held in tandem with the annual Monaco Yacht Show on Sept 23.

All unique pieces will be showcased in a world tour which will visit most of the world's luxury watch collecting capitals during August and September.

The tour will stop in Thailand as a first place in the world, then Singapore, Hong Kong, Shanghai, Beijing, Tokyo, Los Angeles, New York, Milan, Geneva and finally Monaco in September.

The AMM was founded in 2001, and in 2005 the first Only Watch Auction was held and continues every two years. The funds were raised since the first edition in 2005, gathering 1.9 million euro, 2.7 million euro in 2007 and 2.2 million euro in 2009.

An exclusive preview of the 40 one-of-a-kind pieces designed specifically for "Only Watch" will take place at PMT The Hour Glass Boutique, M floor of Siam Paragon, on Aug 26-27.
